Christopher Ritchie is a known fascist nuisance in the city of Austin, mostly known for following around and harassing patrons of Monkey Wrench Books. He is apart of the crypto-fascist organization "Texas Nomads SAR" (Search and Rescue, lol), along with known associates Jeremy Brooks and Collin Whites, and others.

He also played a part in the "Unite the Right" rally in Charlottesville in 2017, where citronella nazis notoriously chanted "Jews will not replace us", and where non-violent protestor Heather Heyer was mowed down by violent fascist James Fields (good riddance to him).

Ritchie has also been seen in violent protests in Portland, OR ([link of events here](#)) alongside the likes of Patriot Prayer and leader Joey Gibson and associate (as well as Proud Boy) Tusitala "Tiny" Toese. More details on these chuds, visit [the paradox of patriot prayer](#). Ritchie is also seen throwing some sort of "shield" at a non-violent protestor in this protest.

Ritchie has also been seen at Houston protests against muslim groups for simply existing. [Click here for details on the story](#)

We have recently discovered through the excellent work of a comrade, that Christopher Ritchie is currently employed at Arbor CarWash – Jollyville, his latest job, after being fired from Five Guys – Arboretum.

We are also aware that Ritchie does not have his own vehicle, as he takes the 383 Capital Metro Bus from Stop 3 – Jollyville to Stop 4 – Pavilion on his

way home from work.

We are also aware that his path home from work is to the Motel 6 Extended Stay in Northwest Austin.

Among many other things, like visiting a journalists' home (from the Texas Observer) to threaten him, to stalking UT students, to aligning with fascist and neo-nazi organizations like Proud Boys, Identity Evropa, and Patriot Front, there is a pattern of behavior from Mr. Ritchie that indicates to us that its way past the time for discussion, and the only course of action is to defund and derail his bigoted, violent, and xenophobic operations, starting with him.

### TO FASCISTS

t s way past time for discussion Oppressive beliefs are not “differences in political ideals” they are differences in moral ideals Speech against marginalized groups is the inciting of violence so we treat your speech as violence The government cannot speak out against you for speech but we can in our own way
